### Definitions

**Property classification:** The statutory classification that has been assigned to your property based upon your use of the property.

**Estimated market value:** The assessor's estimate of the value for which your property would likely sell on the open market as of Jan. 2 of the assessment year.

**Green acres value:** Applies to class 2a agricultural property that is facing increasing values due to pressures not related to the agricultural value of the land. This value is determined by looking at what comparable agricultural land is selling for in areas where there is no development pressure. The taxes on the higher value are deferred until the property is sold, transferred, withdrawn or no longer qualifies for the program.

**Plat deferment:** For land that has been recently platted (divided into individual lots) but not yet improved with a structure, the increased market value due to platting is phased in over time. If construction begins, or if the lot is sold before expiration of the phase-in period, the lot will be assessed at full market value in the next assessment.

**Homestead market value exclusion:** Applies to residential homesteads and to the house, garage and one acre of land on agricultural homesteads. The exclusion is a maximum of \$30,400 at \$76,000 of market value, and then decreases by nine percent for value over \$76,000. The exclusion phases out for properties valued at \$413,800 or more.

**Taxable market value:** This is the value that your property taxes are actually based on, after all reductions, exclusions, exemptions and deferrals. Your 2019 value, along with the class rate and the budgets of your local governments, determines how much tax you will pay in 2020.

**Value of new improvements:** This is the assessor's estimate of the value of new or previously unassessed improvements you have made to your property.

**Disabled veterans homestead market value exclusion:** Qualifying disabled veterans may be eligible for a valuation exclusion on their homestead property. Homestead questions? Call 651-266-2040.
